Dear Mr. Pankanin:

Enclosed, pursuant to the May 12, 1988 inspection conducted at the Chemical Processors, Inc. facility at 2001 W. Garfield Street (Pier 91), Seattle, Washington are the documents you requested:

1. Notification of hazardous waste activity to EPA dated 1-27-86, that Chempro's Pier 91 facility is a marketer of specification and off-specification used oil fuel.
2. 1987 Generator and TSD Annual Reports for Pier 91, as submitted to the Washington Department of Ecology.
3. Revised facility internal inspection form.
4. The September 18, 1987 revision of the Pier 91 Closure Plan which includes the most recent closure cost estimates.
5. The RCRA Part A facility application (WDOE Forms 1 and 3) for Pier 91, signed by Chempro on February 18, 1986 and by the property owner, the Port of Seattle on May 27, 1986. Please note that since the February 18, 1986 signature that the Chemical Processors, Inc. corporation ownership of the Chempro operations has not changed. Chemical Processors, Inc. continues to own all the Chemical Processors, Inc. operations.
